

CALL FOR PROPOSALS

We are looking for...

A changemaker

(you may apply as single or group)

from July to September 2015

Description

You want to realize an idea in your barangay/ your municipality? You want to get some experience in coordinating a project? We'd like to help you with that! We support any kind of project in the field of education, social or ecological development.

No further qualifications are required – you just need a good idea and readiness for action. Well, okay, you need to contact us as well ;)

We offer you:

- to **realize** a social/ecological project in your community with up to 14.000 PHP
- three-months **allowance** (3 x 2.000 PHP)
- to make **experience** in project management
- **to be part** of a young Philippine-German network

We expect from you:

- an **application** in which you tell us about
 - you, your idea and how you want to achieve it
- **monthly report** about the development of your project
- **realization** of a project in the field of education, social or ecological development.

Apply now!

If you are interested and motivated, then please send your application
